The screenshot shows the EPC+ website interface. At the top, there is a navigation bar with the EPC+ logo and the text "Energy Performance Contracting Plus". Below this, a sidebar on the left contains a menu with the following items: "Gründe für KMU Partnerschaften", "Aktuelles", "Pilotprojekte", "Kurzanleitung für EPC+", "Das Projekt EPC+", and "Dokumente und Links". The main content area on the right is titled "EPC+ Trainingsvideos" and features a video player. The video is titled "EPC+ Produkt vs Service" and has a thumbnail showing a hand holding a remote control. Below the video player, there is a section titled "EPC+ Entwicklung der Dienstleistung und vereinfachter Performance Nachweis". This section includes a diagram titled "Kunden-zentriertes Design" which shows a flow from "Wartungsversprechen" to "Kundenprofil" and "Kunden-Aufgaben". The diagram also includes a "Nutzen" section and a "Problemlösung" section. The website footer contains the Grazer ENERGIEAgentur logo and a European Union flag with text indicating cofunding by the European Commission.

EPC+ Produkt vs Service

In diesem Video wird der wesentliche Unterschied zwischen dem Erbringen einer reinen Installationsleistung und einer umfassenden Energiedienstleistung erläutert.

EPC+ Entwicklung der Dienstleistung und vereinfachter Performance Nachweis

Hier erklären wir Ihnen, dass EPC+ ideal für Privat-Betriebe geeignet ist, wie die Entwicklungsgeschichte vonstättenging und inwiefern jedem Kunden mit EPC+ besser gedient ist als durch eine reine Installationsleistung.
