

7TH PARTNER AND STEERING COMMITTEE MEETING - FINAL CONFERENCE

AGENDA

Version 1
February 2020

Energy Efficiency in buildings in the context of the EU Renovation Wave FEEDSCHOOLS Project Final Conference

EU has an important challenge in trying to reach the energy efficiency objectives established in its climate and energy policy for years 2020, 2030 and 2050. The Commission urges the Member States to intensify their efforts to ensure the achievement of these objectives. In this context, **FEEDSCHOOLS** project aims at improving capacities of the public sector in the field of nearly zero energy buildings (nZEB) by facilitating planning of *nZEB renovation* of school buildings in Central Europe. The project is financed by **Central Europe Interreg Programme** and is led by **ENEA (Italy)** involving **7 countries (It, Cz, Au, Hr, Hu, Pl, Sl)** and **11 technical and institutional partners**. The main output of the project is a *user-friendly web tool* for public schools with *technical improvement options* and *optimal financing schemes*, aimed at transformation *towards nZEB*, which also calculates *the carbon footprint* of the school building restoration. Moreover, the project has carried out a number of *open lessons for students and schools staff* focused on **behavioral change** in terms of decrease of energy consumption of school buildings.

The final conference will focus on the latest developments of the European Commission related energy efficiency in the buildings and their renovation.

The event will be organized entirely online at the following link: Join Zoom Meeting

Agenda

27th November 2020

Start	End	Who	What
9:20	9:30	ALL	Opening of the meeting
9:30	9:45		EU INITIATIVES FOR RENOVATION OF THE BUILDING STOCK
		ENEA	<ul style="list-style-type: none"> Introduction to the strategy “A Renovation Wave for Europe - Greening our buildings, creating jobs, improving lives” - Roberta Boniotti (<i>ENEA - Bruxelles</i>)
9:45	10:15		INSPIRING BEST PRACTICES
		EnR, EnergyCities	<ul style="list-style-type: none"> European Energy Network (EnR) and the role of schools in the Renovation Wave - Ezilda Costanzo (<i>EnR</i>) The Covenant of Mayors and the EU City Facility: EU-wide initiatives to support building renovations - Giustino Piccolo (<i>EnergyCities</i>)
10:15	10:30		Central Europe Programme
			<ul style="list-style-type: none"> Projects contributing to increase of energy efficiency and renewable energy usage in public infrastructure- Viktorija Dobravec (<i>CE Secretariat</i>)
10:30	11:15		FEEDSCHOOLS PROJECT RESULTS
		ENEA, HEP ESCO, PRO- Akademia. ENVIROS	<ul style="list-style-type: none"> Short overview of the project - <i>ENEA</i> Presentation of Feedschools web tool - <i>ENEA</i> Financial aspects: lessons learned - <i>HEP ESCO</i> Pilots: lessons learned - <i>Pro Akademia</i> Trainings: lessons learned - <i>ENVIROS</i>

11:15	11:30	All	Discussion and Conclusions
11:30			End of the meeting
